## CELEBRATING NATIONAL DOCTOR'S DAY DR. HERBERT BERGMAN, MD

Dr. Herbert Bergman, MD is an internal medicine specialist in Philadelphia, PA and has over 52 years of experience in the medical field. He graduated from Hahnemann University Medical School in 1970 and completed his residency at Albert Einstein Medical Center. He has practiced medicine in Pennsylvania, New Jersey, New York, and Florida! While attending medical school, he worked as a phlebotomist, so he understands the urgency of getting those labs back!

He has worked with the geriatric population in nursing facilities for the last 35 years. He is active in participating in the DVACO and antibiotic stewardship within River's Edge.

Dr. Bergman created guidelines for the nurses to follow for a CHF program that was implemented into multiple facilities. As the facility's medical director, he is quick to jump in to complete a peer-to-peer review to ensure the rehab residents get as much time as possible!

You can find Dr. Bergman in the facility most days – even weekends, sipping on his mocha iced coffee! He is always willing to speak with family members or patients, themselves! We are lucky to have such an incredible doctor in our facility!

# WHAT'S HAPPENING AROUND RIVER'S EDGE

Employee Appreciation Day at River's Edge was a spectacular success. Thank you, Paramount, for helping us celebrate our team and giving them the recognition that they deserve. Congratulations to our amazing CNA and lucky raffle winner, Angel!

## WHAT'S HAPPENING

After an uplifting Ash Wednesday, we are feeling comforted, cleansed, and at peace. Thank you to our dedicated River's Edge team!

The weekend at River's Edge was filled with love. Our beloved Mary Torpey's grandson, Aidan, visited along with his fellow Troop 347 members, and they gave some beautiful, handmade gifts! Not only did he earn his eagle badge, but he gained all of our respect!

# WHAT'S HAPPENING

Go green, or go home. We had so much fun on St. Patty's Day and can't wait to show off our residents' works of art!

Made with love, our Irish meal was as good as gold.

## WHAT'S HAPPENING

St. Patrick was alive and well, here at River's Edge. What a festive day filled with music, laughter, and luck! Erin Go Braugh!!!

Our Thankful Thursday feast was really something to "taco" 'bout. What better gift for our hardworking team?

Thank you for joining us for our April newsletter!
