# WHAT'S HAPPENING AROUND RIVER'S EDGE

## Letter from our Activity Director

In the month of March, the Activities Department engaged in a variety of fun activities for the residents here at River's Edge. We celebrated St. Patrick's Day with the Coyle School of Irish Dancers, who came in to show off their moves and Irish pride with us. On the first day of Spring, we celebrated by handing out a springtime favorite, water ice. This month was also National Social Work Month. We celebrated our wonderful Social Workers, Ja'cee Hall and Samantha Cortes, with a delicious lunch from Yamato. We continued the month with music therapy and by celebrating our amazing employees on Employee Appreciation Day with a photo booth and popcorn party. In April, we will kick off the month with an Egg Hunt/face-painting party. To continue our roster of fun activities, we will be bringing in some furry friends for pet therapy. We also plan to celebrate Passover with a festive meal that begins Passover, called the Seder. The word Seder means "order" because there is very specific information that must be discussed in a particular order so that the story of the Exodus from Egypt will be told completely and passed on correctly from one generation to the next. Please keep an eye out for all the exciting events going on here at River's Edge.

## First Day of Spring

We celebrated the first day of Spring with a water ice social! We are very excited about warmer weather.

## Social Work Month

Our social workers, **Ja'cee Hall** and **Samantha Cortes**, play an important role in the health and well-being of our residents. Their work is essential and life-changing, and we are so grateful for all that they do.

## Testimonial

We pride ourselves on providing only the highest-quality care to each of our residents, and we do our best to ensure that everyone enjoys their experience!

"I went to visit my mother at River's Edge for the holidays. The building is very clean, and the staff and nurses were kind and friendly. We brought a pizza but forgot plates and napkins, and they were very nice to provide us with some. I am glad she is being well taken care of."

## Thankful Thursday

We love celebrating Thankful Thursdays with our amazing team! Thank you for making every day an awesome day!

## National Therapeutic Month:

Everyone at The River's Edge sparkled for Mardi Gras with their homemade masks! Using paper, paint and some imagination, our residents created colorful creations to wear during Mardi Gras.

## Long-Term Care Administrator's Week

We are proud to put Joe Cohen in the running for TypoDuctions' Long-Term Care Administrator of the Year Contest. Joe genuinely cares about not only our residents but our team as well.
