# WHAT'S HAPPENING AROUND RIVER'S EDGE

## Residents' Christmas Social

Jingle bells rang out and merry tales were shared at River's Edge during our enchanting Residents' Christmas Social. This heartwarming event was brimming with festive cheer, echoing through our halls and rooms, filling them with the joyful spirit of the season. As we gathered, the air was thick with the scent of pine and the sounds of laughter and carols.

**The highlight was the sharing of stories, where tales of past Christmases brought smiles and occasional teary eyes. These stories, rich with history and emotion, reminded us all of the depth and diversity of the lives within our community. Each story added a unique thread to the fabric of our shared experience at River's Edge.**

In every corner, there was a sense of togetherness, a feeling of being part of something bigger than ourselves. Our Residents' Christmas Social wasn't just a celebration of the holiday; it was a celebration of our community, of the bonds that we've formed, and the joy we find in each other's company. As we look forward to the rest of the holiday season, we carry with us the warmth and cheer from this special day.

## Thankful Thursday

Today's Thankful Thursday at River's Edge took on a delightful twist with our umbrella giveaway, adding a splash of joy to our residents' day. This event wasn't just about the practicality of staying dry; it was a symbol of the care and thoughtfulness that permeates our community. As each resident received their new umbrella, it was a tangible reminder of the shelter and support our community provides, come rain or shine.
